

The Three ECO Areas

- Positive social emotional skills (including social relationships)

How well does child relate to those around him?

- Acquisition and use of knowledge and skills

How does child learn, think, remember, etc.?

- Use of appropriate behaviors to meet needs

How well does child do things for himself?

Opportunity to Improve

- Identify **procedures** to collect more consistent ratings across SPOE regions and the state.
- Engage the **family and providers** in the ECO process.
- Measure **progress** more frequently than at entry and exit.

Pilot Region Update
