

Subject: Revisions to Part C Standards and Indicators

Source: Pam Schroeder, Assistant Director, Part C Compliance

Intended Audience: System Point of Entry (SPOE) Staff, Early Intervention Providers, State Interagency Coordinating Council (SICC), First Steps Stakeholders

Date: February 27, 2012

Revisions have been made to the Part C Standards and Indicators document to align with current policies. The revised document is available on the Special Education Compliance

webpage: <http://www.dese.mo.gov/se/compliance/StandardsManual/documents/3011-EIS.pdf>

Please note these revisions were made prior to the release of the new Part C federal regulations and do not incorporate the new regulations. The document will be revised again to reflect changes in the new Part C federal regulations.

If you have questions or concerns about the revisions please do not hesitate to call the Special Education Compliance section at 573-751-0699.
