Criteria for triggering file review related to SPP indicators
2016-17 Monitoring Reviews (2015-16 Self-Assessments)
11/2/2015

YES: District required to address area due to not meeting threshold

NO: District not required to address area due to meeting threshold

NA: District not required to address area due to small cell size

Graduation Rate

If district is an elementary district or [3 year total of cohort] < 5, then **NA**, else if the FINAL GRADUATION RATE \geq 72.5% (SPP target), then **NO**, else **YES**. FINAL GRADUATION RATE = The best of the 2014-15 graduation rate and a 3 year graduation rate, where the 3 year graduation rate = [3 year graduate total] / [3 year cohort total]

Dropout Rate

If district is an elementary district or 2014-15 child count for grades 9-12 < 5, then **NA**, else if the FINAL DROPOUT RATE \leq 4.8% (SPP target), then **NO**, else **YES**. FINAL DROPOUT RATE = The best of the 2014-15 dropout rate and a 3 year dropout rate, where the 3 year dropout rate = [3 year dropout total] / [3 year child count for grades 9-12 total]

MAP - CA Grades 3-5

If 2014-15 MAP Reportable for CA Grades 3-5 < 1 (removed minimum n size), then **NA**, else if the FINAL IEP MAP CA 3-5 \geq 35.0% (10% above SPP target), then **NO**, else **YES**. FINAL IEP MAP CA 3-5 = 2014-15 IEP MAP CA 3-5 Top 2 % due to new assessment (no multiple year average)

Placements - Inside Regular > 79% (Regular)

If 2014-15 child count for ages 5K-21 < 5, then **NA**, else if the FINAL REGULAR PERCENT \geq 56.0% (SPP target), then **NO**, else **YES**. FINAL REGULAR PERCENT = The best of the 2014-15 Regular percent and a 3 year Regular percent, where the 3 year Regular percent = [3 year Regular total] / [3 year child count for ages 5K-21 total]

Placements - Inside Regular < 40% (Self-contained)

If 2014-15 child count for ages 5K-21 < 5, then **NA**, else if the FINAL SELF-CONTAINED PERCENT \leq 10.2% (SPP target), then **NO**, else **YES**. FINAL SELF-CONTAINED PERCENT = The best of the 2014-15 Self-contained percent and a 3 year Self-contained percent, where the 3 year Self-contained percent = [3 year Self-contained total] / [3 year child count for ages 5K-21 total]
