

**OPEN HANDS, OPEN ACCESS: DEAF-BLIND INTERVENER LEARNING MODULES REGISTRATION FORM**  
**Intervener Training**

Interveners—specially trained paraprofessionals who work one-on-one with students who are deaf-blind—are greatly needed in Missouri. If you are interested in becoming an intervener, MoDBTAP offers distance learning training and coaching opportunities. MoDBTAP utilizes Open Hands Open Access (OHOA) Modules for training. These Deaf-Blind Intervener Learning Modules are a national resource designed to increase awareness, knowledge, and skills related to intervention for students (ages 3 through 21) who are deaf-blind and being served in educational settings. For more information, please contact Mandy Clayton at [Mandy.Clayton@msb.dese.mo.gov](mailto:Mandy.Clayton@msb.dese.mo.gov) or 314-633-1553.
