

Level 4 The Master Degree

In Level 4, you will re-evaluate old goals and establish long-term career goals. You will be exposed to employment trends, risks related to employment changes, ethical and unethical behaviors and entrepreneurships.

You are asked to select a mentor, construct a job search, illustrate an organizational structure and implement a leadership project. These skills will establish the importance of planning and the effectiveness of teamwork. Completion of these activities will prepare you to assess accurately your goal progression.
