

Chapter Affiliation Procedure Technology Student Association (TSA)

Local middle school and/or high school buildings must annually “affiliate” or join TSA to become a recognized, active TSA chapter. Missouri TSA provides “joint affiliation” through national TSA which means chapters affiliate with both national and state TSA at the same time. *Each chapter must affiliate annually* (new or renewal) through national TSA’s online process. Complete membership overview, registration directions, fees and policies are available at:

- Why Join TSA
<http://www.tsaweb.org/Why-Join-TSA>.
- National TSA Chapter Affiliation Instructions
<http://www.registermychapter.com/tsa/nat/>
- National TSA Chapter Affiliation Program Descriptions and Fees
<http://www.registermychapter.com/tsa/nat/StateDues.aspx>
- Previously affiliated chapters and/or update user name and password
<https://www.registermychapter.com/tsa/nat/AffLogin.aspx>

Only students with current membership in a local affiliated chapter are eligible to participate in [Missouri state-level conferences](#) or the [National Conference](#). Early chapter affiliation is highly encouraged to be included in national and state level communication and to access national TSA curriculum, competitive events criteria and guidelines, and support materials. Chapter affiliation is accepted and processed throughout the year, although late fees may apply.
