5

Student Core

- Report one record per student who has or will take a state assessment. All students may be included.
- DESE links the student's demographic information in this file to their assessment results.

6

End of Course Exceptions

- Report the exception reason for 12th grade students who did not take the appropriate EOC assessment.
- EOC History Report in MCDS Portal
- EOC Exception List Report in February Student Core Reports in MOSIS

9

Student Core

- Report one record for each student who was enrolled for any period of time during the year.
- Note: Report Physical Education data for grades 5 and 9.

10

Student Enrollment Attendance

- Report a record for each time a student entered and exited throughout the school year, changed grade, or residency status.
- PK students reported in the Student Core file are not required to be reported in this file.
- Students remaining from the prior year are expected to have a matching entry in the current school year.
- Students remaining from the prior year who do not return, report with an entry/exit on the first day of school.

11

Student Enrollment Attendance State Level Violations

SEAS02000 – A student cannot be reported during the same period of time by more than one district.

SEAS03000 - A student marked as a dropout has an enrollment after the dropout date. Upon confirmation, the dropout exit code can be corrected to indicate a transfer.

SEAS03001 – Student transferred to another public district in the state, but no record has been reported by that receiving district for the student. This rule checks district and school code.

SEAS03002 – Student transferred to another public district in the state, but no record has been reported by that receiving district for the student. This rule checks district code only.

12

Student Discipline

- Report a record for each student with discipline incidences resulting in:
 - in-school suspension
 - out-of-school suspension
 - expulsion
 - unilateral removal to an interim educational setting
- Report incidences for students removed from the classroom $\frac{1}{2}$ a day or more.

13

Summer Course Assignment

- Report each educator teaching an approved summer school course.
- Report caseload in lieu of the individual student assignments in the Summer Student Assignment file.

14

Summer Student Assignment

- Report each student enrolled in approved summer school courses.
- If caseload is reported on the Summer Course Assignment file, this file is not required to be reported.

15

Student Course Completion

- Report final grade and credit earned by each student for each course taken in grades 7-12.
- District providing instruction reports completions.
- Course completions are expected for:
 - Each student reported in the Enrollment Attendance file with at least one hour of attendance
 - Each course reported in October Course Assignment
 - Each student reported in October Student Assignment

16

NEW Student Referrals

- Similar data has been collected for buildings in Schoolwide Positive Behavior Supports and other state supported initiatives.
- Collects for all students any:
 - Office discipline referrals
 - Assistance referrals
 - Referrals to special education
 - Referrals to outside agencies
- Replaces existing data collection through FormHog
- Voluntary to report
- Q & A Link for additional information:

ID Cleanup

- DESE created trial available June 25th.
- Includes every student who took a State Assessment (Grade Level MAP, MAP-A, EOC, LEP/ELL)
- Purpose is to ensure every record has a valid MOSIS ID, and it can be linked back to an April Student Core record.
- Districts can add 'teacher name' to the file which will be linked to the assessment results – one for communication arts, math, and science.
