June Cycle

- **Student Core**
 - Report one record for each student PK-12 who was enrolled for any period of time during the year.
- **Student Enrollment Attendance**
 - Report a record for each time a student entered and exited throughout the school year.
 - Update: new Chronic Absenteeism field

June Cycle

- **Summer Course/Student Assignment**
 - Report each educator teaching an approved summer school course.
- **Student Discipline**
 - Report a record for each student with discipline incidences resulting in ISS, OSS, expulsion, or unilateral removal to an interim setting.
 - Report incidences for students removed from the classroom $\frac{1}{2}$ a day or more.

June Cycle

- **Student Course Completion**
 - Report final grade and credit earned by each student for each course taken in grades 7-12.
- **Career Tech Student Organizations**
 - Report one record per student participating in Career Tech Student Organizations. Only students participating in an organization need to be reported.
 - Update: Item (145) name changed from FEA to Educators Rising (EdRising)

June Cycle

▪ Student Referrals

- Report number of office discipline referrals, assistance referrals, referrals to special education, and referrals to outside agencies. This collection is voluntary.

<http://dese.mo.gov/sites/default/files/referralcollection.pdf>

▪ ASVAB (Armed Services Vocational Aptitude Battery)

- ASVAB is a multiple-aptitude battery that measures developed abilities and helps predict future academic and occupational success in the military.
- Report for students in grades 9-12, tested during this school year.

End of Course Exceptions

- Allows school districts to report the exception reason for 12th grade students who did not take the appropriate required EOC assessments.
- EOC History Report in MCDS Portal
- EOC Exception List Report in February Student Core Reports in MOSIS

Assessment ID Cleanup

- DESE created trial.
- Includes every student who took a State Assessment.
- Ensure every record has a valid MOSIS ID, and April Student Core record.
- Districts can add 'teacher name' to the file which will be linked to the assessment results.

DirectMatch

- Allows Local Educational Agencies (LEAs) and their school food administrators to quickly and accurately identify students who are eligible for free school meals.
- Alleviates manual review of Near Match list in prior system.
- System will eventually keep near match decision.
- Allows 'sourcing' of the MOSIS ID System for your districts current school year enrollment.
- About 52% of districts have updated the MOSIS ID system with their enrollment for SY 2018 to allow for sourcing.
