□ **MAP History Report – Secured**

- Guided Inquiry – State Assessment – Administrative Section
MAP History

Staff with MAP Student Level access may access this report.

- The report will provide all achievement level and scale score information for each student in the district. By selecting 'Current School Year=2014', data are available once the district has uploaded an October 2014 Student Core submission through MOSIS. The report refreshes nightly, but is only updated if new data are submitted for the October or February Student Core submissions or at the beginning of the school year with the release of new assessment data.
- Students transferring into a district will have their results displayed once the October 2014 Student Core submission has been uploaded into MOSIS.

7

□ **MSIP5 – CCR Measures -- Secured**

- For any student the district currently has enrolled (i.e. as reported in the October Student Core file), the report will provide all the CCR data available for the student.

Currently the Level 4 and 5 Reports only provide those students that graduated.

□ **MSIP5 – 2014 APR Preview**

- Level 4 and 5 Reports provided for MSIP5 purposes will have an option to choose “2014 APR Preview”. These reports will have refreshed data for the 2012-13 school year.
