□ **MAP History Report – Secured**

- Guided Inquiry – State Assessment – Administrative Section
MAP History

Staff with MAP Student Level access may access this report.

- The report will provide all achievement level and scale score information for each student in the district. By selecting 'Current School Year=2014', data are available once the district has uploaded an October 2014 Student Core submission through MOSIS. The report refreshes nightly, but is only updated if new data are submitted for the October or February Student Core submissions or at the beginning of the school year with the release of new assessment data.

- Students transferring into a district will have their results displayed, once the October 2014 Student Core submission has been uploaded into MOSIS.
